

UX/UI designer (internship)

This is us

Sparble is a smart application that measures and increases the engagement of teams in large companies by frequently providing personal advice to both employees and their managers. We are a young, fast-growing SaaS start-up in Ghent, Belgium.

Our engaged clients include BEL20 companies, mid-sized companies as well as other scale-ups. To serve our clients even better, we are on the look-out for a UX/UI designer.

This is what we offer

We offer a rewarding internship as a part of an energetic and expanding team with experience in management consulting. We work on a fun location in Ghent complete with nerf guns, a respectable gaming collection and a great atmosphere. We dare to say that our company culture is quite unique, pushing your limits yet keeping it cool! We will get your hands dirty so you can learn as much as possible.

This is what you do

- You create designs for our new product features, both for our web application and smartphone application
- You build on gathered feedback to improve our user experience
- You critically analyze our current designs and suggest & implement improvements
- You think and work together with the IT and Product teams to continuously improve our product

This is who you are

- You craft designs that users love
- Photoshop, Illustrator or Sketch is your habitat
- You are fluent in Dutch or English
- You are a team player with a can-do mindset
- You are based in Belgium (our HQ is in Ghent)
