A circular inset image with a green tint, showing a large, ornate Gothic building with many windows and a central entrance. The text "Municipal Climate policy" is written in white over the center of the building. The background of the entire slide is a faded, wide-angle photograph of a cobblestone square with various European-style buildings and people walking and cycling.

A low-angle shot looking up at a crowd of people whose arms are raised, holding up numerous pinwheels. The scene is set against a bright, hazy sky at sunset or sunrise, with the sun's glow creating a strong lens flare effect. The pinwheels are in various colors, including blue, purple, and orange. The overall mood is one of collective celebration and hope.

An aerial photograph of a modern urban courtyard. In the center is a rectangular water feature with a series of concrete steps leading into it. The courtyard is paved with large, light-colored square tiles, some of which are interspersed with green grass. Several groups of people are gathered in the courtyard, some standing and talking, others sitting on the steps. The courtyard is bordered by a low brick wall. In the background, there are brick buildings and more greenery. The text "In search of water" is overlaid in the center of the image.
