Education	Research	Engagement	Management
Alessandra Scagliarini (Bologna)	José Regueiro (Madrid)	Adam Windak (Krakow)	Olli Peltoniemi (Helsinki)
<ul style="list-style-type: none"> • Mobility Under Emergency • Joint Teaching Units • Erasmus+ 	<ul style="list-style-type: none"> • One Health Doctoral Programs • Research Funding 	<ul style="list-style-type: none"> • Internal communication • Public outreach 	<ul style="list-style-type: none"> • General management • Strategic planning • Future workshops (Lisa Boden)

Joint Teaching Units Autumn 2020

7

MSCA COFUND Doctoral Programme

45 Early Stage Researchers
 Cultural Heritage and One Health
 Interdisciplinary research options
 Joint supervision
 Virtual training modules
 52 non-academic partners

Currently revising application for 2022 call

8

One Health Day 2020 Public Seminar

Pathogens from wildlife

Tarja Sironen, Helsinki

Psychology of following WHO recommendations

Joanna Klosowska, Jagiellonian and Katia Mattarozzi, Bologna

Simulation modelling of COVID-19

Paul Bessell, Edinburgh

General practice under COVID-19

Adam Windak, Jagiellonian

COVID in a University Hospital

Julio Mayol, Complutense

9

One Health Future Workshop

Three Potential Futures

In Figure 1, we present 3 possible futures (F1, F2, F3) as they map onto the different axes (as described above).
