

The Faculty of Veterinary Medicine, Ghent University, Belgium is looking for candidates for a rotating

# EQUINE INTERNSHIP

There are 2 different internship programs:

Equine internship with **surgery, orthopaedics and medical imaging** focus

Equine internship with **internal medicine** focus

**Start of the program:** September 25, 2023 - **Duration:** 1 year

Conditions for admission:

- Have a diploma of Veterinary Medicine (applications of final year students will also be accepted), recognized in Belgium
- Knowledge of Dutch and/or French are regarded as an asset. A profound knowledge of the English language is essential for candidates that are not native Dutch speaking

The entire program description can be obtained at:

<https://www.ugent.be/di/en/education/internship>

**Applications can be sent to:**

Equine internship with **surgery, orthopaedics and medical imaging** focus: Dr. Maarten Haspeslagh ([maarten.haspeslagh@UGent.be](mailto:maarten.haspeslagh@UGent.be))

Equine internship with **internal medicine** focus: Dr. Laurence Lefère ([Laurence.lefere@ugent.be](mailto:Laurence.lefere@ugent.be) )

All applications should be electronic and should be mailed before **March 31, 2023**. The email should contain the following attachments (pdf):

- An application letter with a motivation for participation in the program. It should also be stated which focus is preferred by the applicant (if more than one, than this should be mentioned and the application should be sent to each department separately).
- The Veterinary Medicine Diploma (except for final-year students)
- A curriculum vitae (CV) including picture and a list of the study results obtained. The coordinates (name, phone and e-mail address) of 2 persons of reference should also be included in the CV.
