Past events & trainings

Membership

-
-
- Free of charge, but with conditions
 - At the moment:
514 members, in 64 countries

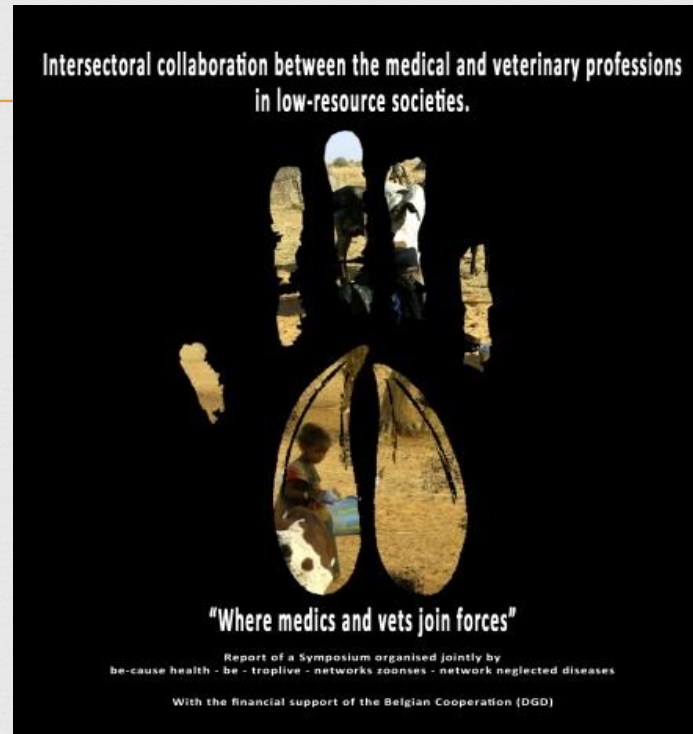

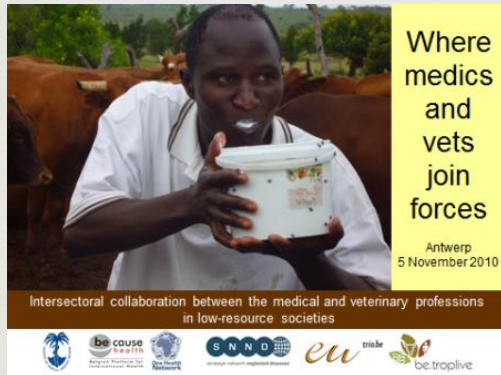

- Strong diversity of specialities

Organisation of

- Yearly: Symposium or workshop, up to 2014
- Since 2015: debate sessions

Joint symposium 5th November 2010: “Intersectoral collaboration between the medical and veterinary professions in low-resource societies” “Where medics and vets join forces”.

from 2015

→ debate sessions on the future of livestock:

Do we need livestock?

Eat or feed, that's the question!
About (un) sustainable livestock policies and practices.

Are livestock eating the world?

You are welcome to join!
