

ICT AND E-LEARNING PLATFORMS

iWISE Of Engineering And Architecture

UFORA

Official digital learning environment of Ghent University and by far the most important communication tool used for:

- downloading documents
- doing exercises
- checking your schedule with tasks and deadlines
- submitting papers, assignments and reports

Checking Ufora on a regular basis is crucial!

STUDY GUIDE

Overview of the complete range of programs offered by UGent

Program summary: overall course schedules per semester

Course specifications: educational and organizational description:

- contents
- position of the course
- lecturers
- learning materials
- teaching methods
- **evaluation methods**
- calculation of the examination mark
- initial and final competences

OASIS

OnderwijsAdministratie- en StudentenInformatieSysteem of UGent

used for:

- viewing and updating personal information
- re-enrolment
- printing certificates: public transport, proof of enrolment, insurance...
- curriculum: viewing; for degrees also changing, submitting to the faculty, signing and approving
- exam results: viewing, downloading and printing
- consulting your individual schedule
- requesting a special status

OUTLOOK

Check mails sent to your official Ugent email address through <https://outlook.office.com/>

e.g. mails from

- professors
- fellow students
- International Relations Office
- Faculty Student Administration
- the student/learning track counsellor
- the rector
- ...

STUDENT PORTAL

All necessary information for Ghent Uni students:

- academic calendar
- menus UGent cafeterias and restaurants
- all kinds of certificates (enrolment, public transport ...)
- UGent sport facilities
- support: study, mental health, medical service...
- UGent phone book

TASKS

1. Connect to Eduroam
2. Retrieve your individual schedule
3. Retrieve the schedule of the courses you are not yet registered for
4. Enroll in the course *'INFOSITE Gast- en exchange studenten faculteit Ingenieurswetenschappen en Architectuur'* on Ufora

KEY TASK 1

Connect to Eduroam, the wireless UGent network.

1. Select the 'eduroam' network and enter your **loginname@ugent.be** or email address and your UGent password when asked.

- Make sure there are no spaces before or after your username.
- Don't forget to add "@ugent.be" when using your login name.

2. Accept the certificate.

- *The first time you connect, the question whether you trust the certificate that is presented by the network appears. This is a normal security question. The certificate authority (CA) is Sectigo RSA Organization Validation Secure Server CA and the "radius server" is radius.ugent.be.*

Detailed info per device: <https://helpdesk.ugent.be/eduroam/en/complete.php>

TASK 2

Retrieve your individual schedule.

Home page

Welcome to OASIS. Whether you are a student or an employee, you will find a great deal of valuable information on the OASIS website. Throughout the academic year, you will also have to take care of several important administrative matters on this website.

In the menu on the left, choose what you want to do. Please note: the menus can vary according to the menu you have chosen at the top of the page (Student, Lecturer in Charge, Chairman,...).
