UNIVERSITEIT
GENT

1. ELIGIBILITY CONDITIONS

1.1 REGULAR STUDENTS

1.1.1 To be eligible, an applicant must meet these conditions:

- You are enrolled at Ghent University for the academic year with a diploma contract for a programme to obtain a first master's degree;
 - Students enrolled in a master in teaching after obtaining a first masters' degree can rent for the duration of the master in teaching;
- Your study programme includes a minimum of 27 credits (this does not apply to one graduation year to obtain a master's degree);
- You are not older than 24 years at the time your tenancy agreement starts (this rule does not apply to reapplicants);
- You have no outstanding debts with the Housing Office of Ghent University.

1.1.2 Students already renting a housing unit ('reapplicants') will be prioritised over new applicants. Within the group of new applicants, scholarship entitled or concessionary students and first-year 'generation students' will be prioritised. The housing units are allocated in order:

- 1 Reapplicants;
2. New applicant and scholarship entitled or concessionary student;
3. New applicant who is enrolling for the 1st time in a 1st bachelor's (and who is not a scholarship entitled or concessionary student);
- 4 Other new applicant.

1.1.3 Flats can be occupied by a maximum of 2 people, with the main applicant meeting the eligibility conditions. The name of the fellow resident must be disclosed to the Housing Office before the start of the tenancy agreement. Only the main applicant is eligible to reapply.

1.1.4 Exceptions to these conditions can be requested at the Social Service of Ghent University.

1.2 INTERNATIONAL STUDENTS AND GUESTS

1.2.1 The housing units can only be rented by Ghent University students enrolled in specific programmes, by PhD students, and by incoming exchange students, visitors and staff members registered at Ghent University.

1.2.2 If the applicant wishes to change the requested reservation period, they must inform the Housing Office at least one month before the start of the requested reservation period. No adjustments are possible after that.

2. APPLICATION PERIOD (ONLY FOR REGULAR STUDENTS)

- 2.1 **Reapplications** must be submitted from February 16 to February 28 at the latest. Afterwards, the reapplicant loses priority.
- 2.2 A **new application** can be submitted from March 1 until May 1. Any application submitted after May 1 onwards will not be given priority and will therefore be processed in order of submission, with the exception of applications in priority 2 (see 1.2), for whom 50 rooms are reserved until August 15.

3. CANCELLATION POLICY

- 3.1 The cancellation of an application for a housing unit must be made via email.
- 3.2 Cancelling an application is free of charge up until the application is granted by the Housing Office (the applicant will then receive an email with confirmation of accommodation and/or the tenancy agreement).
If an applicant cancels his/her application after it has been granted by the Housing Office, an administrative fee of €100 will be charged, plus two weeks' rent for non-regular students/non-regular applicants if the applicant cancels the application less than two weeks before the start date of the requested rental period. An exemption is provided for applicants who will not meet the eligibility conditions to rent a housing unit in the academic year for which they are applying. Failure to return the tenancy agreement within 7 calendar days of receipt is also considered a cancellation and will result in an administrative fee of €100. In that case, no exemption is possible. For non-regular students/non-regular applicants, a 'no-show' equals a cancellation, for which the administrative fee of €100 plus two weeks' rent will be charged. In this case, no exemptions are possible.

4. SUBLETTING AND LEASE TRANSFER

- 4.1 Tenants who participate in an exchange or internship can transfer or sublet their housing unit. The transferee/subtenant must be a Ghent University student.
- 4.2 The tenant must communicate the address and contact details of the transferee/subtenant at least two weeks prior to the effective date of the subletting/lease transfer. In the case of subletting, a signed version of the subletting agreement must also be submitted to the Housing Office.

5. TERMINATION OF THE TENANCY AGREEMENT

- 5.1 The tenant can terminate the tenancy agreement free of charge up to 3 months before the start date of the agreement.
- 5.2 The tenant can terminate the tenancy agreement less than 3 months before the start date of the tenancy agreement, subject to a termination fee of 2 months' rent. An exemption is provided for tenants who will not

meet the admission requirements to rent a housing unit in the academic year for which they have entered into a tenancy agreement.

- 5.3 From the start of the tenancy agreement, the tenant can terminate the tenancy agreement in the following cases:
- when the tenant finishes his/her studies. In that case, the notice period is 1 month,
 - when the tenant graduates during the first examination period and declares that he or she does not intend to rent a housing unit at Ghent University again. In this case, the tenancy agreement will be terminated on February 15 or July 15 of the current academic year for graduation in the first or second examination period,
 - in the event of the death of one of the student's parents or another person responsible for the student's care. In that case, the notice period is 1 month,
 - after social and/or financial assessment by Social Service, at Ghent University without a notice period.

Notification of termination must be submitted by email or letter to the Housing Office, stating the reason and attaching the necessary supporting documents.

- 5.4 Ghent University terminates the tenancy agreement before the tenancy agreement takes effect if the tenant does not meet the eligibility conditions to rent a housing unit.
- 5.5 Ghent University terminates the tenancy agreement by giving one month's notice if, during an inspection in the current academic year, it appears that the tenant does not meet the eligibility conditions to rent a housing unit.

6. RENT

The rent is determined by the Housing Office prior to each academic year. The rent is all-inclusive, with the exception of any costs caused by the tenant due to negligence.

7. MOVING INTO THE HOUSING UNIT

When moving into the housing unit (check-in), the tenant will receive the QR code where he/she can fill out an inventory report. - 8.5 The tenant may be obliged to move to another housing unit to accommodate essential renovation work.

9. FIRE SAFETY

However, if there is an insurance policy covering the tenant's liability (such as a fire insurance policy linked to their registered address), the fire insurer of Ghent University retains its right of recourse against the tenant's insurer. If it is determined that the tenant is liable for the damage, the tenant will be responsible for paying the insurance exemption to Ghent University, as well as any additional damage not covered by an insurance contract. - 16.3 Residents will be charged for interventions by the Emergency Centre if they were caused by the resident's fault or negligence.

17. PENALTIES AND MEASURES

- 17.1 If the provisions of the Internal Rules and Regulations and / or the tenancy agreement are breached, in

case of theft, disturbance of the peace or abuse of the fire and safety installations in a university hall of residence or, in general, if a resident behaves in a way that is not compatible with (shared) living at a university hall of residence, the Head of the Housing Office may attempt to reach an amicable settlement which is acceptable for all the parties involved. This requires the approval of the director of the Functional domain Student Facilities (possibly by email).

- 17.2 §1. If the Head of the Housing Office deems that an amicable settlement is neither opportune nor possible, he or she will report this to the director of the Functional domain Student Facilities. If necessary, the latter will transfer the case to the president of the Homes Commission.

§2. The Homes Commission (i.e. the Appeals Commission in case of an appeal) may take all appropriate measures it deems necessary with regard to the resident in question (such as, but not limited to, the (temporary or permanent) restriction of access to the home involved (or all homes), possibly with the option to move into a housing unit in another home, which is the only scenario in which the rent remains due). The measure is to be communicated in a written, motivated decision and after hearing the resident in question, as described in §3 below.

§3. The president of the Homes Commission must summon the resident for a hearing, as well as inform him or her of the offences charged, in compliance with Article 17.2 §2 of these regulations. This notice is given by registered letter (which is deemed to have been received the second working day after the posting date) or by delivery against receipt. The resident should have received the notice at least 5 working days prior to the hearing. The resident may be assisted by a counsellor (for example, a lawyer) of his or her choosing and can file a written appeal by the date of the hearing. The Homes Commission must reach a decision after hearing the resident. The president of the Homes Commission may decide to impose a measure, but only if the majority of the members of the Homes Commission – including the president – support that measure. The president cannot take a more severe measure than the one deemed appropriate by the majority of the members of the Homes Commission. The Homes Commission can be advised by whoever it wishes to consult. The decision is signed by the president of the Homes Commission and communicated to the resident within 5 working days after the date of the decision, by registered letter (to be received on the second working day after the posting date) or by delivery against receipt. The notice will also mention the option to lodge an appeal as described in Article 17.2 §5.

§4. The Homes Commission consists of three members: the Chief Logistics Administrator, who also acts as president, a student representative and a delegate of the university (not part of the Functional domain Student Facilities), appointed by the Social Council at the start of each academic year. If one of the members of the Homes Commission is impeded or absent, a proxy takes their place. As for the Chief Logistics Administrator, the director of the Functional domain Governance, Legal Affairs and Compliance acts as deputy chair. The Social Council will always appoint a proxy when choosing a student representative and a delegate of the university. The terms of office in the Homes Commission are renewable. The members of the Accommodation Committee remain responsible until the Social Council has appointed new members (and proxies) (except for the Chief Logistics Administrator).

§5. The resident may lodge an appeal with the Homes Appeals Commission against the decision to impose

a measure as described in Article 17.2 §2, within 5 working days after notice of the decision has been received (under penalty of inadmissibility). The appeal is lodged by means of a registered letter addressed to the president of the Homes Appeals Commission, accompanied by the decision and a possible written defense. After hearing the resident, the Homes Appeals Commission makes a final decision to maintain, adjust or cancel the imposed measure. The procedure, including serving the notice, follows the same rules as those which apply to the Homes Commission, as described in Article 17.2 §2.

§6. The Homes Appeals Commission consists of three members (who cannot be a (deputy) member of the Homes Commission): the Chief Academic Administrator, who also acts as president, a student representative and a delegate of the university (not part of the Functional domain Student Facilities), appointed by the Social Council at the start of each academic year. If one of the members of the Homes Appeals Commission is impeded or absent, a proxy takes their place. As for the Chief Academic Administrator, the director of the Functional domain Education acts as deputy president. The Social Council will always appoint a proxy when choosing a student representative and a delegate of the university. The terms of office in the Homes Appeals Commission are renewable. The members of the Homes Appeals Commission remain responsible until the Social Council has appointed new members (and proxies) (except for the Chief Academic Administrator).

§7. An imposed measure shall take effect as soon as the appeal period mentioned in Article 17.2 §5 has expired or, in the event that the resident in question has lodged an appeal in time, once the notice of the final decision in the appeal has been served. The Head of the Housing Office is responsible for implementing the measure.

- 17.3 If the Head of the Functional domain Student Facilities believes that the nature of the facts warrants a disciplinary measure, he or she may file a complaint with the Rector in accordance with the Disciplinary Regulations for Students. Without prejudice to the option to impose additional disciplinary measures, the Rector may dismiss the complaint after an investigation or refer it to the Student Disciplinary Committee. For further information on this procedure, please consult the above-mentioned Disciplinary Regulations for Students.

18. COMPLAINTS AND DISPUTES

- 18.1 Taking personal measures towards fellow residents is not permitted. An aggrieved party may file a complaint with the home council or residence coach (Housing Office). If the solution is not satisfactory, a complaint can be filed with the Housing Office, which may act in accordance with the stipulations in Article 17.
- 18.2 In case of a dispute between the tenant and the Housing Office, both parties may turn to the mediation facilities of the Social Service.
- 18.3 If the Internal Rules and Regulations or the tenancy agreement have been breached by the management, aggrieved residents may file a complaint in accordance with Article 18.1.
