

Faculty of Arts and Philosophy Digital Library Tour

Would you like to explore the library and discover more about our services, collections, and the occasional hidden gem? Take a tour through the library and scan the QR codes along the way. Each stop offers useful information, a tip or a fascinating story.

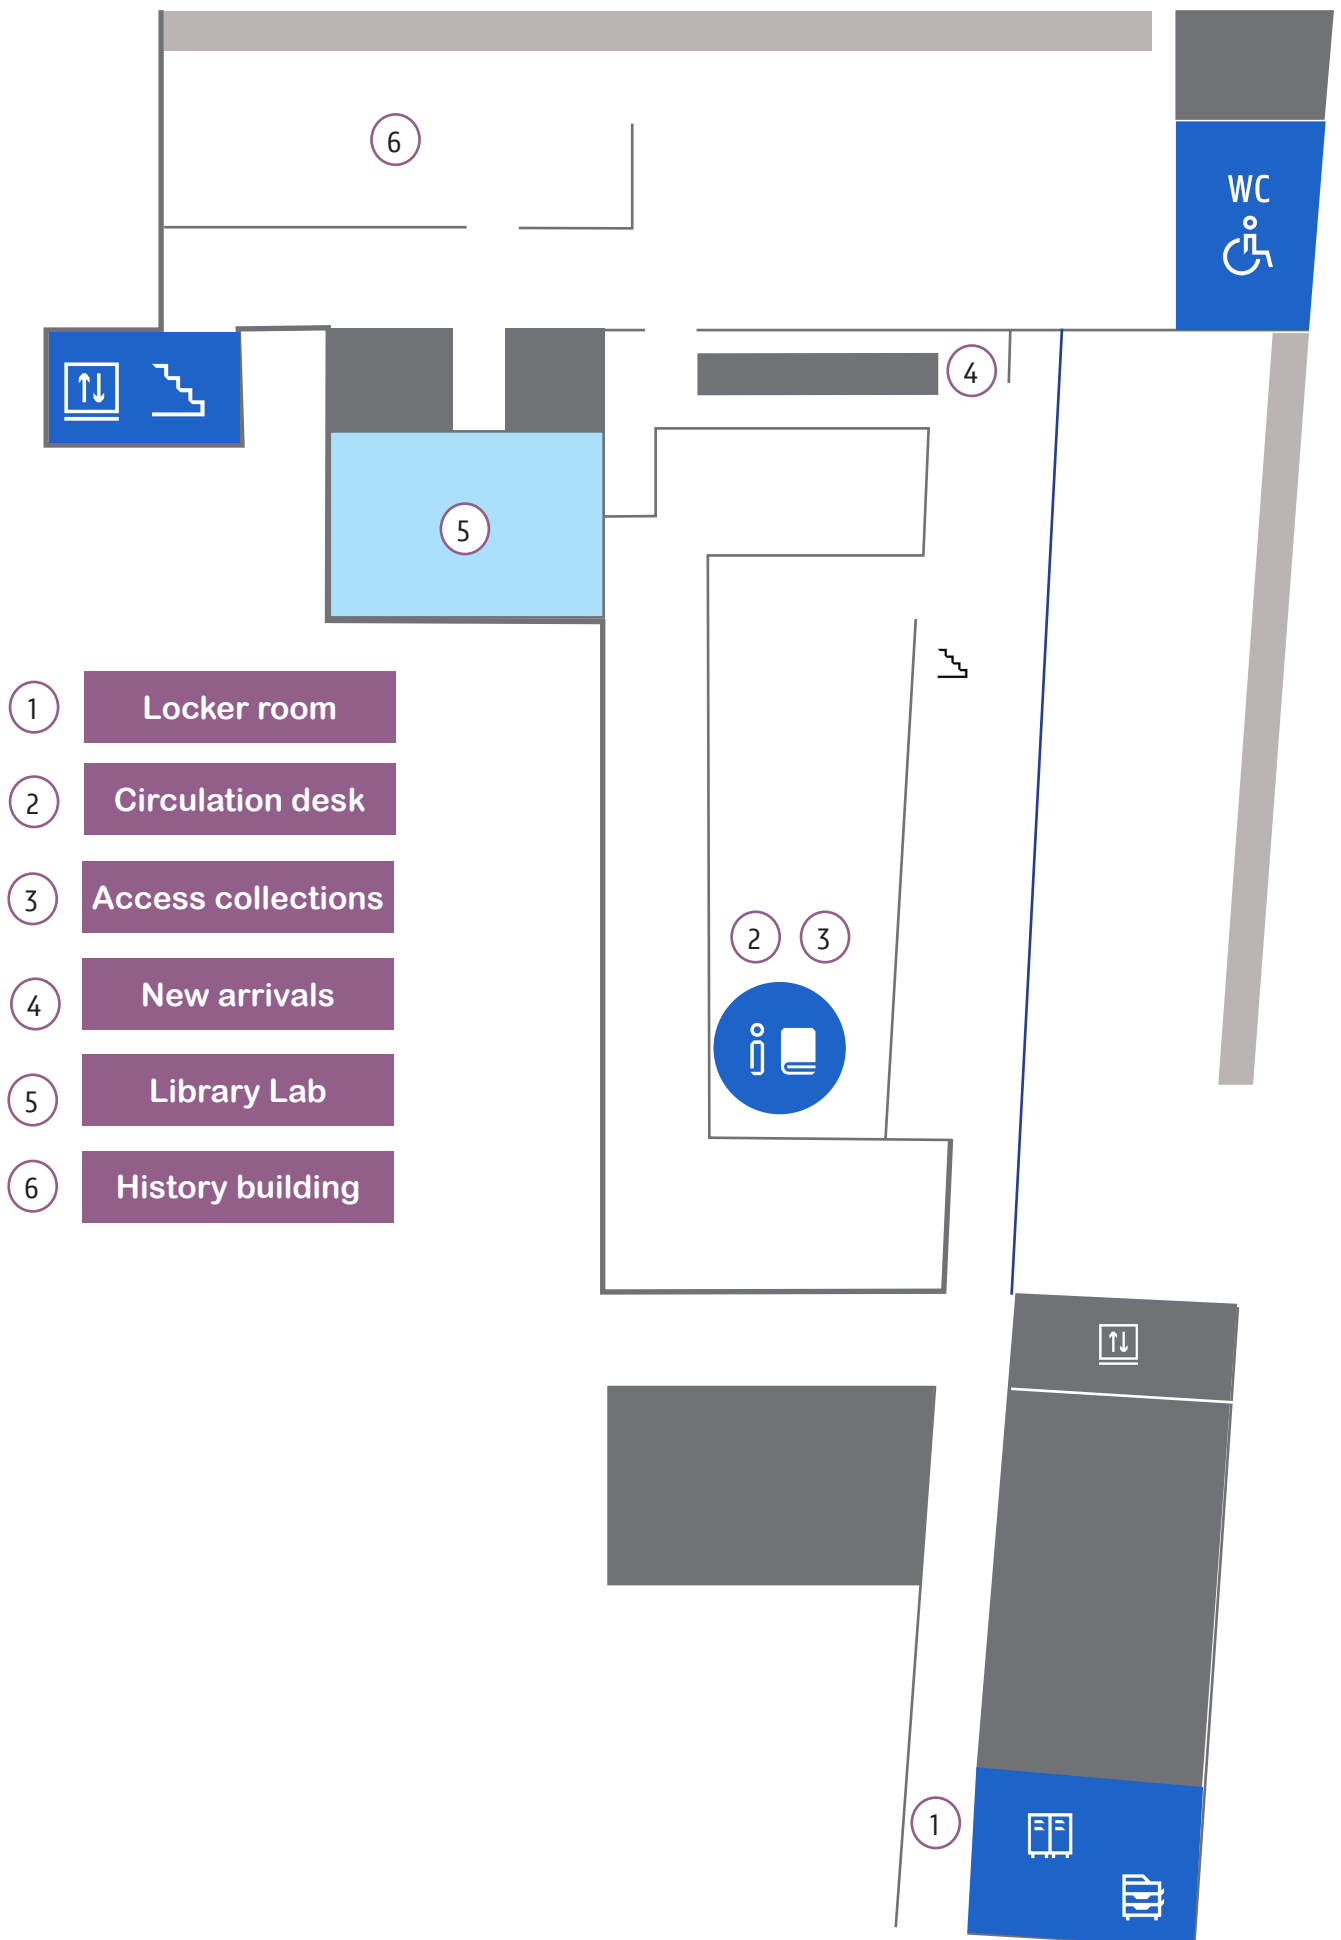

To make sure that you don't miss a stop, use the floor plans on the following pages to find the QR codes and navigate your way through the building.

To start right away, scan the QR-code on this page and off you go!

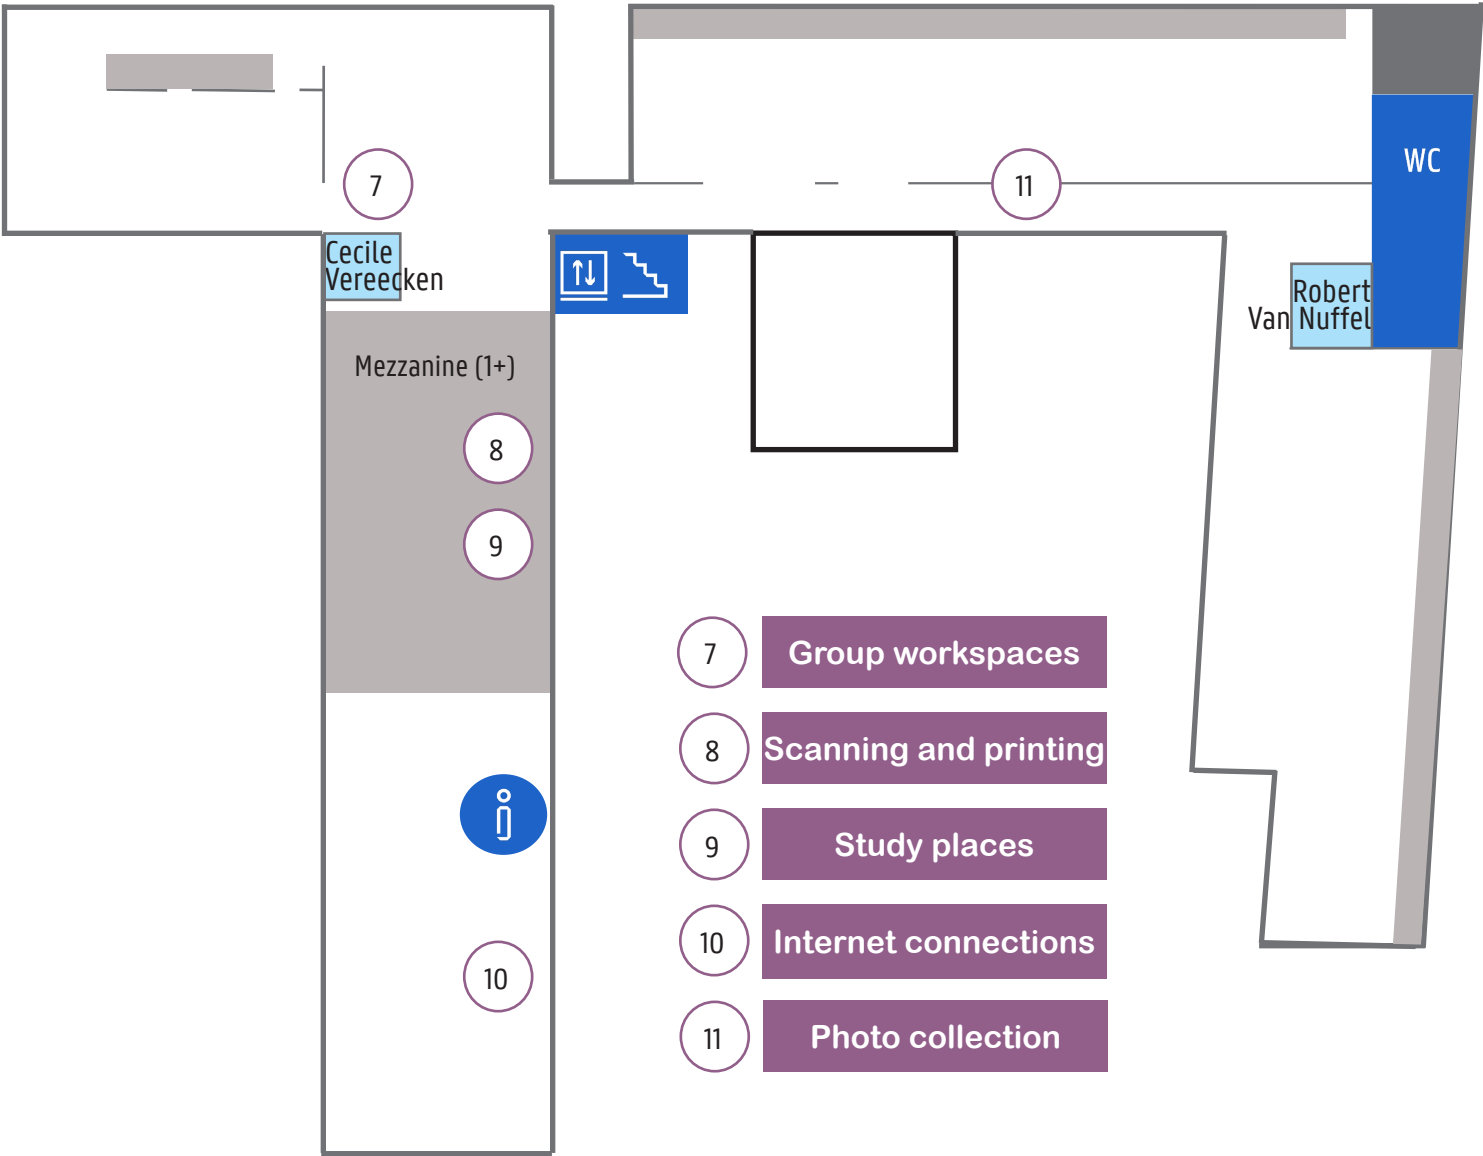

Enjoy exploring!
The library team
