## Kick-off pilot BE-ARMA

### 26 October 2020

Ellipsbuilding, Boulevard du Roi Albert-II 35, B-1030 Brussel

## NCP FLANDERS

On **26 October 2020**, the **kick-off meeting** of the pilot for **BE-ARMA** takes place. **Project Managers** of European Framework Programme for Research and Innovation projects in the Netherlands, the UK and Denmark and other countries all have their own organisation to **share knowledge on European project management in Horizon 2020**. Together with you, we would like to explore if there is a need to create such an organisation, **BE-ARMA**, to exchange information at Belgian level.

**SPEAKERS:** Marion **BUSSEMAEKER** (Radboud University, The Netherlands, member of the former EUPMAN Steering Group); Laura **PANDER** (Eindhoven University of Technology, the Netherlands, member of the former EUPMAN Steering Group), Giuseppina **LAURITANO** ( Policy Officer, DG RTD, Unit B3/Common service for business processes).

**REGISTRATION & PRACTICAL INFO:** more information will be available soon. On invitation only.
