

Master's Dissertation Assessment Form Conflict and Development Studies

Student's name:	Supervisor's name:
------------------------	---------------------------

Study programme:

Assessor:

Dissertation Title:

.....

Format: Academic dissertation Policy report Journal article

The matrix below is used to assess the master's dissertation on the basis of a number of dimensions. For each dimension, the assessor can indicate whether the master's dissertation meets the (minimum) requirements and/or has certain slight or serious shortcomings. In addition, the assessor can also indicate whether the dissertation scores well or excellent on certain dimensions.

	Excellent	good	sufficient	slight shortcoming(s)	Major shortcoming(s)
Embedded in literature and possible theoretical perspective					
Question and problem definition					
Data and sources					
Method and analysis					
Discussion and conclusion					
Writing Style and presentation					
Oral defense					
Miscellaneous					

Comments (including on oral defense) and overall final assessment
