

## Courses - approval of lecturer required

For some of the courses starting with code K00xxxx the lecturer requires students to ask his/her additional approval to take the course concerned - due to limited places for exchange students or specific required initial knowledge/competences. This is the case for the following courses:

Crossmediale storytelling (K001189) BA - SEM 1 - 5 ECTS

*Hanne Vandenberghe*

Theoretical lectures and guest lectures of practice assistants, as well as the assignments of this course are in Dutch. Incoming Erasmus/Exchange students who want to follow this course need to have an approval by the lecturer to follow this course.

EU and Global Justice (K001367) MA - SEM 1 - 6 ECTS

*Jan Orbie – Tiffany G. Williams*

Guest and exchange students (not EMGS students) need to receive permission to take this course. This involves filling out the 'Approval of lecturer' document and writing a motivation letter of max 1 page (why you are interested in this course? Why do you think that you are well prepared for it? What can you add to the discussions?...). As you are required to write an additional motivation letter, you can put "See attached motivation letter" in the 'short motivation' section of the 'Approval of lecturer' document – no need to write down the motivation twice.

You should submit both documents by Monday 2 October, 5pm in the provided Ufora folder, and will receive confirmation before the subsequent lecture.

Health Sociology (K001211) BA - SEM 1 - 6 ECTS

*Melissa Ceuterick*

Historical Perspectives on Media and Communication (K001198) BA - SEM 1 - 6 ECTS
