

2017-2018

# COURSES IN DATA ANALYSIS

Module 1 – Start: October 16, 2017

## Introduction to R

Module 2 – Start: November 14, 2017

## Introductory Statistics. Basics of Statistical Inference

Module 3 – Start: January 9, 2018

## Analysis of Variance

Module 4 – Start: February 27, 2018

## Applied Linear Regression

Module 5 – Start: April 4, 2018

## Multilevel Analysis for Grouped and Longitudinal Data

Module 6 – Start: April 9, 2018

## Structural Equation Modelling I

Module 7 – Start: April 11, 2018

## Structural Equation Modelling II

Module 8 – Start: May 7, 2018

## R Intermediate

Module 9 – Start: May 28, 2018

## Multivariate Statistics

Module 10 – Start: See website

## Causal Inference
